Newsletter September 2017

Welcome back all returning students and greetings to all of the new families! Just a note to say what a GREAT year end show we had last June; all the dancers did a wonderful job. If you ordered a DVD they are available at the front counter \$25.

Class Observation

New this year is a video monitor in the lobby so parents can observe classes without disturbing the flow of class. Open observation will only be the first month and those observing need to be following class guidelines of no conversations on the side during class. Please if you have any concerns talk to Rachel.

Reminder to all

Dancers need to check in with the front desk for attendance and newsletters. Backpacks and clothes may be left in the cubbies in the dressing room or taken into the studio but please do not leave items on the chairs in the lobby. Tuition is due by the end of the month and there is a payment drop box by the studio entrance door.

Schedules

Please check your invoice for correct class times for your student/s. If there is an error, please change and place in the payment box so a new invoice can be created.

Check email Addresses

Sending out group email is the best and fastest way for us to keep communication between studio and families. Your email on file is listed on your monthly invoice, make sure it is up to date.

Student Referrals

Classes have been filling very well and we do still have a few class times open for new students if you friends wish to join our family. New students will be welcome up till Nov or until classes fill.

New Class

Parents and older teen siblings, I have an Adult Ballet on Thursday nights from 7:00 – 8:30 pm and an Adult Tap on Thursday from 6:15 – 7 pm (Tap lass on hold until we get 5 dancers interested) These are great fun and just another way you can get a workout in and have a little fun tat the same time. The cost for adult classes is just \$30 a month for one style and if you would like to do both it would be \$40. Adult classes start on Thursday Sept 14.

Note from Rachel

I really want to let everyone know that with the time I spent this summer away at different dance camps I have returned home with a renewed spirit and looking forward to this school year. As always keep your eyes and ears open there will be changes around the studio and changes around production seasons.
